

# COMMEMORATE AMERICA'S 400th BIRTHDAY WITH A SCHOOLYARD MEMORIAL

On November 11, 1620 the Pilgrims having "braved the tempests of the vast and furious ocean", established, in America, by a written Compact, the first charter "of a government of the people, by the people and for the people" known to history. Many schools across America have Liberty Tree Memorials. Not only do they add to the landscape, they become a living classroom tool. Why not establish one in your town?
