FREIGHT: FOB Keene, NH. Billed by carrier, or customer pick up at nursery.
TERMS: Full payment by check or credit card with order. Make check payable to Elm Research Institute.

CONTAINER GROWN FEATURES

- **LOW COST** - Please compare prices quoted with those you are paying for street sized replacement trees. We think you will find the price will provide big savings, especially when you consider the additional advantages listed below.
- **ONE MAN CAN PLANT A 12 FT. TREE WITH A PICK UP TRUCK AND A SHOVEL-** Because it weighs less than 50 lbs. A comparable balled and burlapped tree weighs 125 lbs. and requires 2 men and a backhoe to plant it. **TOTAL SAVINGS PER TREE (1) man vs. (6) or approximately \$250.**
- **FAST GROWING** - Perhaps the fastest growing of all shade trees, the American Liberty Elm will climb above powerlines in a few short years, has a life expectancy of over 100 years and a height at maturity of 100 feet or more.
- **CONTAINER GROWN-** Offers the following advantages which we are quoting from a typical nursery catalog "The advantage of this type of culture is that the root system is contained entirely in the container, thus minimizing the transplant shock possible with balled and burlapped material."
- **LIFETIME WARRANTY AGAINST DUTCH ELM DISEASE** - Each tree is registered and carries a written warranty. Free replacement should tree be lost to DED.

Memorial Trees on Town Website

By linking our website libertytreesociety.org on your website, residents and businesses can create a backyard Memorial for any occasion. If you have a town anniversary or other event coming up, the Memorial could be planted for that as well. These ceremonial trees would be a living testimonial to your interest in preserving the beauty of your town. A tree planted anywhere, on private or public property, adds value to the town long range, adds tax value and makes property worth more as it grows. **BONUS:** If (50) or more Personal Memorials are planted, Liberty Tree Society will donate a Liberty Tree Memorial to your town.
